

Get Inspired. Transform your Texas home with Milgard® windows & patio doors.

Hermosa Series™ is a new line of innovative vinyl windows designed specifically for, and assembled in, the great state of Texas.

Choose the perfect fit from a vast selection of beautifully designed windows and patio doors, each custom built to order. The windows come with 3 interior and 8 exterior color options, and are made with premium, extruded vinyl for strong insulation performance and impact resistance. Milgard offers personalized support through local dealers and Texas-based customer care center, all backed up by the Milgard Full Lifetime Warranty.

- Manufactured in Grand Prairie, Texas, from premium vinyl
- Custom made, available in large sizes and combinations
- Available in white, tan, and clay, or in eight premium exterior vinyl finishes
- Milgard Full Lifetime Warranty includes parts and labor

Hermosa Series windows are available in three popular operating styles, Horizontal Slider, Picture, and a Single Hung Tilt window that allows you to easily clean the window exterior from the inside of the home. The Single Hung Tilt also comes standard with a DP 50 (Design Pressure) rating.
